Clinics for 3rd and 4th Grade: The Saint Joseph Athletic program offers clinic sessions to grades 3 and 4 for Volleyball, Basketball, and Flag Football. Each clinic session teaches young athletes the basic concepts in a fun relaxed format. Teamwork and sportsmanship are emphasized. Clinics will be held in the school gym (time and dates to be determined by coach). Each clinic will have approximately 6-8 hrs of instruction divided in to 4 or 5 sessions.

Under no circumstances will any “Head Coach” position be filled by anyone less than twenty-one (21) years of age. Students under the minimum age requirement will be allowed to “assist” in coaching only. **It is mandatory that there will be two (2) supervisory adults (who are approved PGC volunteers) at all practices and games, either or both of them may be a coach.** Applications for coaching are available from any SJS Athletic Board Member. A coach’s position can be terminated by the SJS Athletic Board when in its opinion, the coach is not abiding by the Constitution, or the Guidelines set forth in the Constitution. If it becomes necessary to combine two teams to one team and the previous coaches can not mutually agree to share the responsibility, the final decision on the head coach will be determined by the SJS Athletic Board.

Coaches Meetings: Coaches meetings will be held at least once a year per sport. This does not include Awards Night.

Diocesan Certification Forms: The Diocese of Joliet requires that all volunteers complete a “Background Information/Statement of Certification and Authorization” and participate in the Protecting God’s Children Training Program. This applies to coaches, assistant coaches and all other volunteers associated with activities that involve the students of St. Joseph School. The forms are available from the school office. **Failure to comply with this requirement will disallow any involvement in sports activities.**

Athletic Registration & Sports Physicals: All required medical information, insurance, and sports physicals must be submitted to the SJS Athletic Board before any athlete is allowed to participate in clinics, practice, or games. The sports physical forms are valid for one year from date of the physical. The sports physicals are now state law in Illinois.

Athletic Registration Fees: An annual membership fee will be assessed to all participants. These fees will be used to pay the costs of equipment, uniforms, gym rentals, tournament fees and other sports related expenses. The fees will be collected at the time of registration and are not refundable, unless extenuating circumstances apply. The refund will be at the discretion of the SJS Athletic Board. Late fees will apply to registration forms returned after deadline. The late fee is \$50. In addition to the annual membership fee, there will be a separate Maintenance fee. The maintenance fee is per child/sport to work concessions and/or the uniform fee. A separate check will be required at the time of registration, which shall be post-dated. Once the required hours worked have been fulfilled and the uniform is returned in proper condition, the fee will be returned at the end of the April. At the discretion of the SJS Athletic Board, this fee will be deposited if the concession stand requirement has not been met or the uniforms have not been returned in proper condition.

The date of distribution will be determined by the Equipment Manager. Washing and Care instructions will be issued with the uniform under separate cover. All uniforms will be returned to the Athletic Board on Uniform Turn-In Day after the season ends. Uniforms that have not been returned in proper condition or those not returned to the Athletic Board will forfeit the return of the maintenance check.

Uniform Care: It is the responsibility of each athlete for the care of his/her uniform. If the uniform is damaged during the season or prior to the return date, the Equipment Manager will evaluate the condition and recommend to the Board what action needs to be taken. If the uniform is lost or destroyed, the athlete will be billed for the replacement cost of the garment(s). The Equipment Manager will advise the SJS Athletic Board and the School Principal of the students who do not comply. The Equipment Manager shall present recommendations annually.

Coaches Uniforms: The SJS Athletic Board will provide one (1) Team Shirt embroidered with St. Joseph School, and the respective sport to each coach. This will serve as their “Uniform” and should be worn at all Athletic Activities that involve their team(s), for example, Games and Picture Day.

Fundraising: The SJS Athletic Board will sponsor a Charitymania fundraising program. Each athlete is required to sell seven (7) tickets or agree to donate \$150 if they choose not to participate. The donation of \$150 must be received before the season begins. All funds must be returned to the school by designated timelines established by the SJS Athletic Board.

Team Photos: The SJS Athletic Board will provide for a professional photographer to take team and individual pictures. This excludes clinics. The photo session will be scheduled during the season and after school hours. All athletes, coaches, and assistant coaches should be in attendance at their scheduled time. Athletes and coaches must be in uniform for the photo session.

Team Rosters: Each prospective athlete will be required to complete the St. Joseph Athletic Registration Form. When the SJS Athletic Board determines that there are enough athletes for a team, the roster will be forwarded to the respective coach for that sport. This will become a part of the coaches' information folder. When it is determined that there are enough athletes for two (2) teams, two equal teams will be determined by the appropriate coaches and SJS Athletic Board. Once the teams are divided, the rosters will not be changed. Only under extenuating circumstances will the Board consider a change in the roster. To request a change by either the coach or parent, the following procedure must be adhered to:

1. A written request from the parents, or coach, of the athlete must be submitted explaining the reason for the change.
2. The coach will then contact the Board for review of the request.
3. The Board will discuss with the coach and the parents the reason for the change.
4. If the Board determines there is a need for a change, it will be allowed, and documented.

Under no circumstances will athletes be allowed to make a change to another team or join a team without prior consent of the SJS Athletic Board.

Athlete Prerequisite: Athletes must be in good academic standing (no failing marks on interim reports or report card grades) and be physically capable to play. The physical form is necessary to make that assessment.

Late Registration: Registration dates will be established each school year. All prospective athletic families are expected to comply with these dates. Late registration may not be considered for Instructional (5th and 6th) and Competitive (7th and 8th) levels after the teams have been established with the conference league. As determined by the number of applications, this rule may not, in

all cases, apply to Clinic. A \$50.00 late fee per sport will be assessed if an athlete does not register or pay balance within the established dates. Transfer students will have the opportunity to register for athletic activity upon acceptance to St. Joseph School and verification of eligibility.

Borrowing Players: Borrowing of players will be allowed when prior approval is issued by the players' head coach. The head coach of the borrowing team must be contacted before contacting the athlete. The coach must present a valid reason for borrowing, such as illness or probation. The borrowing will be on an "as needed" basis. Borrowing will not be permitted when the sole intent is to "stack the deck" against the opposing team. Additionally, within 24 hours the Athletic Director must be notified of the borrowing of players.

Player Eligibility: If an athlete attends school on a game day, and meets the academic or behavioral requirements set by the School Principal, he/she is eligible to participate in the event. If they are absent from school or on academic or behavioral suspension on game day, they are not eligible to participate or attend. All students must meet physical requirements to play.

Opportunity to Play: Every athlete that attends a game can expect to play. Coaches will make every effort to have equal play time on the 5th and 6th grade instructional levels. Coaches must play all athletes that attend a game no less than 25% of game without exception. (Tournaments included) Those students on academic or disciplinary probation or those who fail to comply with the Student Guidelines will not be allowed to play. Parents are encouraged to have the athletes attend all practices, since it is the intent of the practice to prepare for play. Missing multiple practices could involve limits in play time if it has first been approved through the SJS Athletic Board and parents have been notified in advance of the limited play time. Attendance and behavior concerns will be documented.

Athletic Activity Limits: Students are restricted to a maximum of four (4) nights of athletic activities per week, the week beginning Sunday and ending on Saturday.

Handbooks: The SJS Athletic Board will provide to head coaches, parents and athletes the SJS Athletic Handbook.

- **Coaches' will be provided with** player rosters, medical forms, Coaching Guidelines, Maps (when available), Conference Rules, important phone numbers and other pertinent information.
- **Parents' will be provided with** the Student and Parent Guidelines, maps to away games (when available), phone numbers, practice and game schedules and other pertinent information.

Game Schedules: The SJS Athletic Board will provide game schedules for all home and away SSCC games and/or tournaments for the respective sport. Changes in the schedules, if any, will be sent out prior to the date of the change.

Practice Schedules: Coaches will prepare practice schedules for the respective sport each week. All notices will be sent home after the approval of the administration. In all cases, a one (1) day notice, at a minimum, will be given for a scheduled practice. All coaches are instructed that a practice cannot be called on the day of the practice.

Awards Night: The SJS Athletic Board will set aside an evening in late spring to honor our athletes and award them their trophies.

Trophies and Awards: The SJS Athletic Board will provide Trophies and Awards to the athletes for their participation throughout the athletic seasons. Each athlete will receive a trophy for the respective sport(s) he/she participated in during the school year. *Clinic participants shall receive recognition for their participation at a separate date or last clinic session. Special Awards will be given to the retiring coaches and others reaching specific milestones.*

Tournaments: St. Joseph School shall participate when invitations are extended by various local schools. It is at the discretion of the coach and board whether or not the tournament interferes with a regularly scheduled conference game or practice. *In addition, St. Joseph School shall host tournaments for volleyball and basketball at the Activity Center.* The number of tournaments in which we shall participate will be determined by the SJS Athletic Board. The limitation of activities is dictated by the number of evenings in one week our athletes can participate in extracurricular activity, per the Diocesan Guidelines.

- For grades with two teams in one sport, girls or boys, we will enter a Blue and Gold team, if possible.
- If the tournament does not allow two teams, we will offer the first tournament to one coach and the next tournament to the other coach.

- *When we host a tournament, if the St. Joseph Blue Division and Gold Division teams become eligible to play for a 1st Place trophy in the pairings, on the same grade level, no game will be played, and two 1st Place trophies will be awarded.*

No coach may enter a tournament without the permission of the SJS Athletic Board President and/or the School Principal.

No tournaments will be scheduled during the weekend of Oktoberfest. A team may not enter another tournament during the same time when St. Joseph is hosting their tournaments. Exceptions to this policy may be made with the approval of the Athletic Board and school principal. The short time frame of the volleyball season may necessitate an exception.

Mascots: Mascots will not be allowed.

Appendix A

Guidelines for SJS Athletic Board Members, Coaches, Parents, and Student Athletes

St. Joseph Athletic Association

Board Guidelines

1. The Board will be responsible for the oversight of the Coaches', Parents' and Students' Guidelines and agreements.
2. Committees will be established by the Board, to handle activities other than coaching (i.e., Equipment Manager, Fund Raising Chairperson(s), etc.).
3. The Board will determine if there are enough athletes for a team. The determination will be based on the previous records of probation, suspension, and attendance, and a minimum requirement of 7 players for basketball and 8 for volleyball. If grade level teams are unable to meet those requirements, a combined team may be made and the team will play at the higher level. The SJS Athletic Board reserves the right to adjust these target levels on a year to year basis.
4. For sports where fourteen (14) or more students are registered for Basketball and sixteen (16) are registered for Volleyball in one (1) grade for one (1) team, the following Board procedure will be supervised by the SJS Athletic Board:
 - At the conclusion of a basketball or volleyball clinic session (girls or boys), each of the Head coaches will submit, in writing, an evaluation of the players to the SJS Athletic Board.
 - The respective Head coaches will meet with the SJS Athletic Board to divide the players into two (2) equal teams. Each Head coach will choose a guard, center, and so on, for basketball, until the entire list of players has been divided. One (1) assistant coach only may be present.
 - At the 5th and 6th grade Instructional Level, each coach will be assigned one (1) team. Both teams will play in the South Suburban Catholic Conference in the same division. Determination of team placement will be a board level decision or flip of the coin, if the cooperating coaches are unable to come to an agreement.
 - The SJS Athletic Board will encourage the coaches to overlap practices and scrimmage each other.
 - The two teams will not play against each other in conference or tournament play.
 - At the end of the 6th grade season, the SJS Athletic Board will evaluate if two (2) teams will be needed for the 7th and 8th grade years. The Board will consider the number of athletes registered to play on the Competitive level. Also to be considered will be the previous records of each athlete for probation, suspension, and attendance.
 - The possible choices for these competitive teams shall be:
 - One (1) team;
 - Re-evaluate the players and possibly divide by athletic ability into two (2) equal teams;
 - Allow the teams to remain on the same teams as 5th and 6th grade level. Division of Volleyball rosters (girls or boys) shall be supervised and divided in a similar manner as outlined in Guideline #3.
 - The SJS Athletic Board and coaches shall decide which choice will be viable for that particular group of registered athletes, when the roster situation dictates a division.
5. The Board will allow each Head coach, on every grade level, to have up to three (3) assistant coaches, only after the division of the roster as stated in Guideline #2.
6. Borrowing will be allowed as stated within the St. Joseph Athletic Association Constitution.
7. Attendance by the SJS Athletic Director (or in his/her absence a designated board member will attend) is mandatory at all conference meetings where attendance is required.
8. The SJS Athletic Board will determine the coaches that will be recognized at the Awards Night ceremony. Each retiring coach, as determined by the Board, will receive a Recognition Award.

9. The SJS Athletic Board will review all roster change issues in accordance with the St. Joseph Athletic Association Constitution.
10. The SJS Athletic Board will oversee all fund raising activities as they apply to athletics.
11. The SJS Athletic Board will oversee the activities involving team photos.
12. The SJS Athletic Board reserves the right to take disciplinary actions for any athlete who is excessively non-compliant with scheduled team meetings or demonstrates these unacceptable behaviors. The SJS Athletic Board will work with coaches and parents to take appropriate actions (including loss of playing time).
13. The Athletic Board President will receive notification by verbal and written report of any injury/accident. Accident reports returned to the Athletic Board President will be forward to school principal.

St. Joseph Athletic Association Coaches' Guidelines

4. Hold regularly scheduled practices on a weekly basis. Under no circumstances can a practice session be called on the day of the session.
5. Arrive first at the practice or game facility and be the last to leave. Never leave a child unattended after an activity. Before leaving the building, be sure all lights are off and the doors are locked. All shared equipment must be returned to the locked location and put away.

This policy includes all conference games, non-conference games, and tournaments. In Volleyball matches, this would include, but is not limited to 50% of one game or 10 points. (combination of both teams or individual) In Basketball games, this would include, but is not limited to one quarter. Refer to "Opportunity to Play" under the constitution. Recognizing that the 5th and 6th grade levels are instructional, all coaches will seek to attain **equal participation and play time** for all athletes.
10. Every coach will make his/her best effort to play all athletes in all conference, tournament, and independent games, with the exception of academic, disciplinary probation, or failure to comply with the Student Guidelines.
11. Insure that all ineligible athletes do not attend or participate at any game or practice.
12. Borrowing of players from other teams will be permitted only as outlined in the SJS Athletic Association Constitution. The Athletic Director must be notified immediately and no later than 24 hours.
13. Team spirit, team work, sportsmanship, Christian competition, pride and fair play should be the emphasis over winning.
14. Conduct a well-disciplined program that encourages all athletes, regardless of ability.
15. Let your athletes know that they are expected to give 100% and have the highest level of conduct at all times.

16. For any athlete who is excessively non-compliant with scheduled team meetings or demonstrates unacceptable behaviors must be reported to the SJS Athletic Board and appropriate actions (including loss of playing time) will be taken.
17. Coaches must inform the SJS Athletic Board President within 24 hours when any athlete neglects the Student Guidelines or receives any type of technical foul from the officials at a game.
18. In the event of any roster change, notify the Athletic Director immediately. (No less than 24 hours)
19. Check the athletes' medical forms and be aware of any medical problems or limitations of your players.
- 20. No alcoholic beverages may be consumed before or during any practices or games.**
21. A coach's use of obscenities or verbal abuse is unacceptable under any circumstances.

24. Athletes must be in the 5th grade or above to participate in instructional and competitive leagues.
25. Players may play at their grade level or one (1) level above, not below.
26. **Be sure you have a Registration Form for all of your athletes.** No one may participate without registration form, proof of insurance, sports physical, and medical forms. **Medical and insurance forms must be available at every practice, game or team meeting.**
27. Be sure to review the current rules of South Suburban Catholic Conference (SSCC) with your players and make sure they understand them.
28. Head coaches are responsible for the conduct of their assistants. Coaches will be looked upon to provide an example and instill conduct that is becoming of St. Joseph School representative to all parents, players, and spectators.
29. Conduct considered to be out of the ordinary, by the referee at the event, can result in the Head Coach being ejected from the game and possibly the playing facility. All technicals and inappropriate conduct from a coach or assistant coach must be reported to the SJS Athletic Board President within 24 hours of the occurrence.
30. Coaches will hold a mandatory meeting with the parent(s) of the athletes after the scheduled Mandatory Parent Meeting hosted by the SJS Athletic Board. At this meeting, coaches will discuss their own strategies/philosophies they may have specific to their coaching methods, hold a question/answer session, as well as define team goals and expectations of parents and athletes.
