

**** St. Joseph School Uniform Resale/Exchange ****

Out with the Old...In with the New

Thank you to all of the families that participated in this past years 2 uniform resale/exchange sales! With your generous donations and purchases, we were able to raise nearly \$800 for the needy family fund!!

Since our last sale in February, we have been actively collecting uniform pieces and preparing for our upcoming sale. After your donations were approved for resale, you were awarded "Exchange" shopping points for future purchases. A complete list of family credits will be available at the sale.

We have accumulated a large inventory (spreadsheet attached) ...so please check out what we have before you look online - or head to Schoolbelles!!

This is a great opportunity to complete your child's school uniform pieces, or to get a few extra pieces for emergencies. If you have used uniform pieces to donate, feel free to bring them to the sale. They will be inspected and prepared for the winter sale. Credits will not be awarded the day of the sale.

The Sale Day!!

**** Friday, August 13, 2010 ****
