

Distinguished Graduate Award

St. Joseph's Distinguished Graduate Award is given each year to an individual who has made a contribution to both society and to the Catholic Church. It is an honor St. Joseph is proud to bestow on one of its former students.

The success of St. Joseph School is most clearly embodied in its graduates. By identifying and honoring those graduates whose lives reflect the Catholic education they received at St. Joseph's, we not only proclaim to the community their achievements, but we also tell the story of Catholic education.

Individuals nominated for this award must be an alumnus of the school who has graduated at least 10 years ago. This person has made a contribution to our community, to the American society and/or to the Catholic Church. We are looking for someone who, throughout his or her life, has consistently pursued the highest possible professional and personal standards; and is someone who can be a role model for the children currently attending our school.

If you would like to nominate an individual for this special award, please complete this form and mail it to the rectory, St. Joseph Church, Attn: Michelle Ray, 410 S. Jefferson, Lockport, IL 60441 or drop it in the Sunday collection. We will be choosing the Distinguished Graduate in March.

Although only one person will be named St. Joseph Distinguished Graduate, all nominees are worthy of this award. We thank you for taking the time to nominate that special person.
