

Thank you for choosing St. Joseph School for your child. We believe that St. Joseph School provides a Catholic environment that promotes excellence in learning and development of the whole person through the Gospel message. We seek to form leaders by guiding our students to their highest levels of spiritual and academic potential. It is our hope to offer this quality Catholic education and spiritual development to your child.

At this point, we have student openings at many grade levels. We do expect to reach maximum capacity in several classrooms. Please follow the outlined steps listed here so that your application may be processed efficiently and return the registration forms within the timeframe communicated.

1. Please complete and return all forms: family application, application for each student, and registration fee. We cannot process your application if it is not complete.
2. Be sure to include an original birth certificate and baptismal certificate for each child to be registered. We will make copies of all forms and return the originals to you.
3. Submit a check for New Family Registration made out to St. Joseph School for \$300.00. If your child is accepted, this registration fee will be applied to the September's tuition payment. If your child is not accepted, this registration fee will be returned to you. This fee is non-refundable once the principal acknowledges acceptance.
4. Return the registration packet to the school office between January 31st- February 24th. All applications returned during this time will be considered equally. We do not have a "first in line" policy.
5. Try to wait as "patiently" as you can. You will be notified of acceptance after our current families have been registered. We will send acceptance letters to our **new registration families** by March 1st.
6. If you have any questions, please contact St. Joseph School principal, Miss Scheffler or the Administrative Assistant, Mrs. Rita Baxter at the school office (815) 838-8173.
