

What is AmazonSmile?

AmazonSmile is a website operated by Amazon with the same products, prices, and shopping features as Amazon.com. The difference is that when you shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price of eligible products to St. Joseph Church & School.

This is a tremendous benefit for St. Joseph Church & School. You're still able to utilize your Amazon Prime membership and all the benefits included. There is ZERO cost to you. You simply need to follow the steps below a single time to select St. Joseph Church & School as your charitable organization. Then, purchase as you normally would. The only adjustment needed is ensuring you shop through the appropriate Amazon site. Instead of typing Amazon.com, you would type smile.amazon.com.

How do I set this up?

1. We have made it super easy. Click on this link: <https://smile.amazon.com/ch/36-2334621>
2. Log in using your normal Amazon username and password (or create an account).
3. Click **Start Shopping**
4. Check the box confirming your understanding, then click **Start Shopping**.
5. If using Google Chrome, you may receive a popup window giving you the option to download the AmazonSmile redirect extension. This is **highly recommended**. This will ensure that if you don't visit the correct AmazonSmile site, you'll be automatically redirected there. You won't even notice! This ensures St. Joseph Church & School receives the donations resulting from your purchases. If you didn't receive a popup, click [here](#).

Shopping

This is a very important step. Instead of shopping at www.amazon.com, you need to make a very simple adjustment. Do all your Amazon shopping at <https://smile.amazon.com>. If you downloaded the extension mentioned above, you won't have to worry about this step when shopping from a PC, laptop, or tablet.
