

Hello Again SJS Families!

Our MANNA program is really something to want to get in on if you haven't done so already! It's the perfect time to do it. It recently got even easier! There is now an APP for your phone to order those gift cards and load the reloadable ones. The best thing is that while you are shopping in a store that is part of Shop with Scrip, you can purchase an e-card *right there* and just pull it up on the APP at check out. Whether it is grocery, shopping, gas, restaurants (usually the most % rebate), and online shopping as well.

The APP is **RaiseRight** by Shop with Scrip. It is available on Apple or Android.

If you already use Manna, simply log-in as you normally would on the app and all of your information is there. No need to create a new log-in. You can view past purchases as well.

***If you are not yet enrolled, that's OK!!! Now's the perfect time as we begin our Christmas shopping! Our Enrollment Code is 46DE6D3A7L27. Sign up and start saving on tuition and raising money for our school. Friends and family can enroll as well with this code and select a student/family to have their savings go to or to have their savings go directly to the school.***
